

Family Housing and Local Information About Naval Air Facility Atsugi

The Housing Service Center (HSC) is available to assist you with all of your housing needs. Enclosed is some housing and local information with helpful web links that may interest you. Please contact us for more information.

Common Navy Housing Terms

Housing Service Center (HSC) is the service member's government advocate for providing assistance for any type of housing: rental or purchase, on-base or off-base, community, government and Public/Private Venture (PPV) at any installation worldwide.

Fleet and Family Support Center (FFSC) supports individual and family readiness through a full array of programs and resources which help Navy families to be resilient, well-informed and adaptable to the Navy environment. The Naval Air Facility Atsugi FFSC serves active duty members, retired personnel and family members with programs and services to enhance their quality of life.

Government Owned, or Military Housing, is what was formerly thought of when we thought about On Base Housing. While only available in limited quantities CONUS (Contiguous United States), Government Owned Housing is still widely available OCONUS (Outside Contiguous United States).

Community Housing is any housing that a Service member may choose that is not privatized or government operated. This is housing outside of the base that is privately owned and operated. This can include apartment complexes and single family homes for rent. A mandatory Housing briefing is held every week at the Housing Service Center for personnel who will reside off base at NAF Atsugi.

Housing Early Application Tool (HEAT) allows Service members and their spouses to apply for housing at one or more locations before or after they receive their PCS orders. The launch of HEAT allows the Service member to tap into their DEERS record, creating an easy user experience. Spouses can use the application as well, needing only minimal information about their Service member.

OCONUS Locations

Temporary Lodging Assistance (TLA) accrual begins the day the member reports to the new permanent duty station. Paid TLA begins when member and family report to the new duty station. Member must check-in to Atsugi Housing Service Center to submit an application for on or off-base housing to be eligible for TLA after check-in to your new command.

OCONUS Local Housing Market

[NAF Atsugi HSC](#) offers a variety of services to assist newly arriving personnel who will live in the local community. We maintain an extensive database of single houses, apartments, duplexes, etc., available in the surrounding communities. These homes are inspected to ensure they meet safety, security and habitability standards.
